b) When you use the software network services, the software automatically receives and records the information on your browser and iphone, including but not limited to your IP address, browser type, language used, access date and time , software and hardware feature information and data such as web page records you need;

c) Relevant information and data collected by this software that you publish in the software, including but not limited to transaction information and evaluation details.

### 2. Information use

a) This software will not provide, sell, rent, share or trade your personal information to any unrelated third party, unless you have obtained your permission in advance, or the third party and this software provide services for you individually or jointly, and in this After the service ends, it will be prohibited from accessing all such materials, including those it had previously been able to access.

b) The software also does not allow any third party to collect, edit, sell or disseminate your personal information by any means.

### 3. Information disclosure

In the following cases, this software will disclose your personal information in whole or in part according to your personal wishes or the provisions of the law:

- a) Disclosure to third parties with your prior consent;
- b) In order to provide the products and services you have requested, it is necessary to share your personal information with third parties;
- c) In accordance with the relevant provisions of the law, or the requirements of the administrative or judicial institutions, disclose to third parties or administrative or judicial institutions;
- d) If you violate relevant Chinese laws, regulations or this software service agreement or related rules, you need to disclose it to a third party;
- e) If you are a qualified intellectual property complainant and have filed a complaint, you should disclose it to the respondent at the request of the respondent, so that both parties can deal with possible rights disputes;
- f) In a transaction created on the software platform, if any party to the transaction fulfills or partially fulfills the transaction obligations and requests for information disclosure, the software has the right to decide to provide the user with the necessary information such as the contact information of the counterparty of the transaction , to facilitate the completion of a transaction or the resolution of a dispute.
- g) Other disclosures that this software deems appropriate in accordance with laws, regulations or website policies.

#### 4. Information storage and exchange

The information and materials about you collected by this software will be saved on the servers of this software and/or its affiliates, and these information and materials may be transmitted to your country, region or outside the place where the software collects information and materials and in Accessed, stored and displayed abroad.

#### 5. Exercise your rights

With regard to the personal information collected, you can do the following:

Each business function requires some basic personal information to complete. In addition, for the collection and use of additional personal information, you can change the authorization consent to the software in the system settings. When you withdraw your consent, we will no longer process the corresponding personal information. However, your decision to withdraw your consent will not affect the previous processing of personal information based on your authorization.

You can enter "My-About Us-Privacy Policy" in the software to view the full content of this policy.

#### 6. Information Security

The security of your personal information is very important to us. We follow generally accepted industry standards for the protection of personal information submitted to us, both during transmission and after we receive it.

We take reasonable and appropriate steps to protect personal information from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into account the risks and nature of the processing of personal information.

We implement appropriate technical and organisational measures aimed at implementing data protection principles such as data minimisation in an efficient manner and integrating the necessary safeguards into processing.

Unfortunately, no method of transmission over the Internet or method of electronic

storage can be guaranteed to be 100% secure. We do our best to protect your personal data, however, we cannot guarantee its absolute security. If your personal information has been misappropriated due to a breach of confidentiality, we will promptly notify you in accordance with applicable law.

#### 7. Changes to Privacy Policy

This Privacy Policy is updated from time to time.

Whenever we make changes to this Privacy Policy, we will post those changes to this Privacy Policy and other locations we deem appropriate. In such event, we may provide other forms of notice of modification or update at our discretion.

#### 8. How to contact us

If you have any questions about this Privacy Policy, please feel free to contact us at [YseraShi@outlook.com](mailto:YseraShi@outlook.com).
